

Growing from Roots

Match each Latin or Greek root to its meaning by writing the correct letter in the blank.

- | | | | |
|----------|------------|---|-------------|
| _____ 1. | trans | A | cell |
| _____ 2. | cyt | B | hear |
| _____ 3. | re | C | five |
| _____ 4. | pent | D | across |
| _____ 5. | aud | E | again; back |
| _____ 6. | photo/phos | F | heat |
| _____ 7. | therm | G | light |

Now read each sentence below. Underline every word that contains one of the Greek roots above. Use your work matching the roots to their meanings to determine the basic meaning of the underlined word and answer the question.
